

“Cordelia” wins Marion to Bermuda race!!

Our team at Schaefer Marine would like to send a huge congratulations to Skipper Roy Greenwald and his crew upon “Cordelia” on their VICTORY in the Marion to Bermuda race!

The 42’ Valiant sailed to win with our 3100 Jib Furler helping them on the way! Couple that with our in boom furling system and we were expecting a strong performance and Cordelia’s team delivered!
