

Schaefer Online Store open for business!

Our online hardware store is up and running! Most of our products are now available for online purchase and we are offering FREE ground shipping in the continental U.S. Check out the store! [SHOP NOW](#)

Some larger items such as furling systems require custom measurement and installation from our great builders! For those items, contact us at 508-995-9511 to speak to our team about the custom needs of your boat.
